## **Solicitation of Quotes for *Freedom Hall Floor Repairs/Replacement***

Pursuant to M.G.L. c. 149, The Cotuit Fire District, through its Prudential Committee, is soliciting quotes for ***Repairs/Replacement of Flooring at Freedom Hall*** located at 970 Main Street, Cotuit, MA 02635. Quotes must be a lump sum amount for:

The installation of about 1,600± S.F. of historically accurate maple flooring to match existing pattern and surrounding trim as necessary.

Quotes must include all costs associated with the work, including but not limited to, mobilizing equipment necessary to perform work, furnishing labor, payment of prevailing wages, tearing out and disposing of existing floor, repairing subfloor after removing existing floor, sanding & finishing new floor with sealer and a minimum of 2 top coats, and furnishing all the necessary materials needed for the work to be done. Per M.G.L. C. 149, a 50% Payment Bond is required for all quotes over \$25,000.

The work must be completed within 30 days of the contract being awarded to the responsible contractor offering to perform the work at the lowest price. The District is requesting quotes from contractors well versed in replacement of historic wood flooring of similar size and scope as described above, therefore quotes must include a minimum of 2 references showing experience in similar projects.

Pursuant to M.G.L. c. 149, prevailing wages and completion of OSHA 10 training are required for employees that will be on the worksite. A prevailing wage sheet and a Certified Payroll Record Template are available to prospective contractors interested in providing quotes for the work. Contractors will be required to furnish proof of OSHA 10 training completion with their quotes and Weekly Certified Payroll Records during construction.

Please fill out the information below and submit quotes no later than ***12:00 PM on Thursday March 7, 2019*** in any of these 3 ways:

By Mail/In person: To the Fire Station at 64 High Street, Cotuit, MA 02635
